Pam's Spring Rolls – Homemade

Pam makes our Poh Pia herself: she fills and rolls every spring roll by hand – with shiitake mushrooms, glass noodles, carrots, cabbage, celery and Thai radish. Then they are fried golden and crispy and served with a dip.

PAM'S CLASSIC · ผัดไทย

THE STORY OF PAD THAI

Stir-fried rice noodles came to Thailand with Chinese immigrants. In the late 1930s, PM Plaek Phibunsongkhram promoted noodle dishes as part of a new national identity. Pad Thai means "stir-fried, Thai style". Pam makes the sauce herself, from her own special recipe. Sweet, sour and savoury – all in balance.
